

Housekeeping sample

Why should I buy this module?

- Provide the best hospitality for your guests, by equipping your Center staff.
- Save time by utilizing ready to use materials. Why re-invent the wheel?
- Utilize best practices from the conference center and retreat field.
- Gain insight from other centers.

There are 7 sections in this training. Below are examples from two of these sections.

Section 1 – Why is Housekeeping important anyway?

Objectives. By the end of this section, housekeepers:

- Will feel their job is valued.
- Can describe how their job impacts their guests' experience.
- Can briefly describe how a conference center is different than a hotel down the road.
- Are engaged and connected with others in the room.

Length: 10 minutes

Activities come with a list of materials needed, process, and key elements.

Section 3 – How to do Housekeeping for our Center
